SUNWORLD is not responsible for lost tickets. Please ensure that you exercise complete and proper control of your ticket. **FARES SUBJECT TO CHANGE WITHOUT NOTICE.**

SCHEDULES — Schedules shown are expected departures and arrivals, as planned at the time of publication and are subject to change without notice. Actual times should be confirmed when making reservations. Because weather and other factors may affect safe operating conditions, **SUNWORLD** can't guarantee its schedules or accept liability for delays in flight arrivals or departures, or for missed connections. In the event of delays, we will work to minimize any inconvenience to you. During holiday periods our schedule may be adjusted slightly. Please check with your nearest **SUNWORLD** ticket or reservation office for any changes.

RESERVATIONS/TICKET PURCHASES — Advance reservations are recommended and may be obtained for any flight by contacting **SUNWORLD** or your travel agent. Reservations are subject to cancellation if tickets have not been purchased at least 60 minutes prior to departure or prior to the time agreed upon at the time the reservations were confirmed with the airline. It is to your advantage to purchase your tickets early. Once you have purchased your ticket and as long as you do not change your flights or dates of travel, your fare will be guaranteed even if the fare increases before you travel. **SUNWORLD** offers seat assignment only on the date of departure at the departure gate or designated check-in location.

BAGGAGE REGULATIONS — For each ticketed passenger, the free baggage allowance is two checked bags not over 62 inches and 55 inches respectively. In addition, carry-on baggage may remain in the passenger's possession and be carried aboard **SUNWORLD's** aircraft provided its dimensions allow storage beneath a passenger seat or in the overhead compartments. Each additional piece checked will be subject to a service charge. **SUNWORLD Airways'** liability for baggage claims is limited to \$1,250.00 per passenger or the actual supported value, whichever is less.

Baggage checking tips in order to serve you better:

- Please include your name, address and telephone on both the inside and outside of your baggage.
- Don't place jewelry, money, important medicine, one of a kind documents or fragile items such as cameras or radios in checked baggage.

CHECK-IN TIME — All ticketed passengers not in possession of a seat selection should be at an airport ticket lifting point to obtain their boarding pass at least 30 minutes prior to departure of their flight. Reservations may be cancelled if the passenger has not presented himself at the loading gate at least 10 minutes prior to scheduled departure time, rendering him ineligible for denied boarding compensation.

RESTRICTED ARTICLES — The following articles are classified as hazardous and must not be in baggage: compressed gases (excluding aerosol containers for personal use), corrosives, explosives, flammables, oxidizing materials, poisons, briefcases with installed alarm devices, radioactive and magnetic materials and all other items restricted by government regulation. AM and FM radio receivers and TV receivers may not be operated during the flight, as they might interfere with navigation and communications equipment.

ALCOHOLIC BEVERAGES — Federal Aviation Administration regulations provide that no persons may drink alcoholic beverages on board an aircraft unless they have been served by the airline. **SUNWORLD** will only serve alcoholic beverages provided by our commissary for use inflight, and no such beverage may be served to any person who appears intoxicated or under the age of 21.

CHILDREN — One child under 2 years of age, not occupying a seat and accompanied by a fare-paying passenger over 11 years of age, will be transported without charge. Children ages 2 through 11 may be eligible for various discounts, provided certain eligibility and travel requirements are satisfied. Please contact **SUNWORLD** for future information.

NOTES — OVERBOOKING OF FLIGHTS

Airline flights may be overbooked, and there is a slight chance that a seat will not be available on a flight for which a person has a confirmed reservation. If the flight is overbooked, no one will be denied a seat until airline personnel first ask for volunteers willing to give up their reservation in exchange for payment of the airline's choosing. If there are not enough volunteers, the airline will deny boarding to other persons in accordance with its particular boarding priority. With a few exceptions, persons denied boarding voluntarily or involuntarily, are entitled to compensation. The complete rules for the payment of compensation and each airline's boarding priorities are available at all airport ticket counters and boarding locations.
